LOW RATES TO DENVER SHOW

The railroads have granted special rates to the National Western Stock Show, to be held in Denver, January 15th to 20th. From all points on the Colorado Midland, Cripple Creek lines, Denver & Rio Grande, Colorado & Southern, Moffat Road, and competitive points on the Santa Fe, a rate of one fare for the round trip is made, and on the prairie lines the rate is a fare and a third for the round trip. These rates will enable stockmen and farmers from all parts of the state to attend the big show in Denver, and it is expected that there will be a large attendance.

The Denver Stock Show is the big agricultural event of the west, and no stockman or farmer can afford to stay away from it for business reasons. It is promised that the coming show will be the largest ever held, and quite a number are planning to go from this section.

While stopping in Lincoln on their return from Iowa, J. B. Gray and J. W. Guthrie visited with a friend who is connected with the fire department of that city and who invited them to take a ride on a new automatic fire truck which gave them a new experience and one that proved to be quite exciting before they got back to the fire house. On the way out they struck a gait of forty-seven miles an hour according to the speed register. This was enough to make one's hair stand on end who is not accustomed to riding at such a rapid rate through streets of a city, but it was slow going, compared with the speed of seventy-two miles per hour which was registered on part of the return trip.

Miss Hazel Carney of Seneca, Nebr., came recently to Alliance to visit her sister, Mrs. DeBruler, during the holiday season.

J. B. Gray and J. W. Guthrie returned on 41 yesterday from Carroll, Iowa, where they went last week to see their mother who was sick. We are pleased to note that they left her much improved with a good prospect for recovery. She will be 74 years of age on Christmas day of this year.

CURE YOUR KIDNEYS

Alliance Sufferers Should Take No Further Risk

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before gravel, dropsy or Bright's disease sets in. Can Alliance residents demand more convincing proof than the following?

James A. Kersey, S. Main St., Chadron, Nebr., says: "I have used Doan's Kidney Pills on several occasions and I am sure they are well worth recommending. I had slight symptoms of disordered kidneys for some time and as there has been Bright's disease in my family for several generations, I decided to try Doan's Kidney Pills. This remedy soon completely cured me. I believe Doan's Kidney Pills to be unequalled for kidney disorders."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
